Single lifetime payment fees (at 2025)

All members under 75 years old may opt to make a single lifetime payment. Lifetime contributors will receive no request for annual fees at any time in the future.

Life members continue to be eligible to stand for election to office and retain full voting and participation rights. Life members automatically receive the publications of the Academia, unless not required.

The Academia spreads the lifetime payments over a ten-year period, to meet accounting requirements.

The single payment is age related, so please choose the correct figure (or convert into Euros at the current rate).

Age at the time of payment, this applies to all categories of membership:

Under 65 years:	1900.00 GB pounds (2,250 Euros)
66-75 years and over:	750.00 GB pounds (895 Euros)

Options on three methods of payment are provided on pages two and three.

Yours sincerely
