

Name GROSSCHEDL, Rudolf Born: September 9 th , 1952	Position Title Director, Professor Max-Planck-Institute of Immunobiology and Epigenetics, Freiburg, Germany
---	---

EDUCATION/TRAINING

Institution and Location	Degree	Year(s)	Field of Study
University of Zuerich, Switzerland	PhD	1982	Molecular Biology
University of Freiburg, Germany	M.S.	1978	Biology

A. Positions and Honours

Employment/Experience

2004-present	Professor and Director, Max-Planck-Institute of Immunobiology and Epigenetics, Freiburg, Germany
1999-2004	Professor and Director, Institute of Biochemistry, University of Munich, Germany
1995-1999	Professor and Vice Chair, Dept. Microbiology & Immunology, HHMI, University of California at San Francisco (UCSF), CA, USA
1992-1995	Associate Professor and Associate Investigator; Dept. Microbiology & Immunology, HHMI, UCSF
1988-1992	Assistant Investigator, HHMI, San Francisco, CA
1986-1992	Assistant Professor, Department of Microbiology & Immunology, UCSF, CA
1982-1985	Postdoctoral Fellow, Massachusetts Institute of Technology, Whitehead Institute, Cambridge, MA

Honors, Awards and Scholarships

2010	Carl Zeiss Lecture Award of German Society of Cell Biology
2008	Elected corresponding Member of the Austrian Academy of Sciences
2000	Elected Member of the European Molecular Organisation
1986	Leukemia Society of America Scholar
1985	Special Fellowship from the Leukemia Society of America
1982	Postdoctoral Fellowship from the European Molecular Biology Organisation

Other Scientific Activities

2002-2004	Immunological Reviews
1992-present	Editorial Board, Genes & Development
1990-2006	Editorial Board, Molecular and Cellular Biology
